INSTRUCTIONS ON HOW TO COMPLETE THE COVER SHEET

To Plaintiffs and Others Filing First Papers. If you are filing a first paper (for example, a complaint) in a civil case, you must complete and file, along with your first paper, the Civil Case Cover Sheet contained on page 1. This information will be used to compile statistics about the types and numbers of cases filed. You must complete items 1 through 6 on the sheet. In item 1, you must check one box for the case type that best describes the case. If the case fits both a general and a more specific type of case listed in item 1, check the more specific one. If the case has multiple causes of action, check the box that best indicates the primary cause of action. To assist you in completing the sheet, examples of the cases that belong under each case type in item 1 are provided below. A cover sheet must be filed only with your initial paper. Failure to file a cover sheet with the first paper filed in a civil case may subject a party, its counsel, or both to sanctions under rules 2.30 and 3.220 of the California Rules of Court,

To Parties in Rule 3,740 Collections Cases. A "collections case" under rule 3,740 is defined as an action for recovery of money owed in a sum stated to be certain that is not more than \$25,000, exclusive of interest and attorney's fees, arising from a transaction in which property, services, or money was acquired on credit. A collections case does not include an action seeking the following: (1) tort damages, (2) punitive damages, (3) recovery of real property, (4) recovery of personal property, or (5) a prejudgment writ of attachment. The identification of a case as a rule 3.740 collections case on this form means that it will be exempt from the general time-for-service requirements and case management rules, unless a defendant files a responsive pleading. A rule 3,740 collections case will be subject to the requirements for service and obtaining a judgment in rule 3.740.

To Parties in Complex Cases. In complex cases only, parties must also use the Civil Case Cover Sheet to designate whether the case is complex. If a plaintiff believes the case is complex under rule 3.400 of the California Rules of Court, this must be indicated by completing the appropriate boxes in items 1 and 2. If a plaintiff designates a case as complex, the cover sheet must be served with the complaint on all parties to the action. A defendant may file and serve no later than the time of its first appearance a joinder in the plaintiff's designation, a counter-designation that the case is not complex, or, if the plaintiff has made no designation, a designation that the case is complex.

Page 1 of 2

LACIV CCH 190 (Rev. 04/15) LASC Approved 95-08

INSTRUCTIONS FOR HANDLING UNLIMITED CIVIL CASES

The following critical provisions of the Chapter Three Rules, as applicable in the Central District, are summarized for your assistance.

APPLICATION

The Chapter Three Rules were effective January 1, 1994. They apply to all general civil cases.

PRIORITY OVER OTHER RULES

The Chapter Three Rules shall have priority over all other Local Rules to the extent the others are inconsistent.

CHALLENGE TO ASSIGNED JUDGE

A challenge under Code of Civil Procedure section 170.6 must be made within 15 days after notice of assignment for all purposes to a judge, or if a party has not yet appeared, within 15 days of the first appearance.

TIME STANDARDS

Cases assigned to the Individual Calendaring Court will be subject to processing under the following time standards:

COMPLAINTS: All complaints shall be served within 60 days of filing and proof of service shall be filed within 90 days of filing.

CROSS-COMPLAINTS: Without leave of court first being obtained, no cross-complaint may be filed by any party after their answer is filed. Cross-complaints shall be served within 30 days of the filing date and a proof of service filed within 60 days of the filing date.

A Status Conference will be scheduled by the assigned Independent Calendar Judge no later than 270 days after the filing of the complaint. Counsel must be fully prepared to discuss the following issues: alternative dispute resolution, bifurcation, settlement, trial date, and expert witnesses.

FINAL STATUS CONFERENCE

The Court will require the parties at a status conference not more than 10 days before the trial to have timely filed and served all motions in limine, bifurcation motions, statements of major evidentiary issues, dispositive motions, requested jury instructions, and special jury instructions and special jury verdicts. These matters may be heard and resolved at this conference. At least 5 days before this conference, counsel must also have exchanged lists of exhibits and witnesses and have submitted to the court a brief statement of the case to be read to the jury panel as required by Chapter Eight of the Los Angeles Superior Court Rules.

SANCTIONS

The court will impose appropriate sanctions for the failure or refusal to comply with Chapter Three Rules, orders made by the Court, and time standards or deadlines established by the Court or by the Chapter Three Rules. Such sanctions may be on a party or if appropriate on counsel for the party.

This is not a complete delineation of the Chapter Three Rules, and adherence only to the above provisions is therefore not a guarantee against the imposition of sanctions under Trial Court Delay Reduction. Careful reading and compliance with the actual Chapter Rules is absolutely imperative.

The Early Organizational Meeting Stipulation, Discovery Resolution Stipulation, and Motions in Limine Stipulation are voluntary stipulations entered into by the parties. The parties may enter into one, two, or all three of the stipulations; however, they may not alter the stipulations as written, because the Court wants to ensure uniformity of application. These stipulations are meant to encourage cooperation between the parties and to assist in resolving issues in a manner that promotes economic case resolution and judicial efficiency.

The following organizations endorse the goal of promoting efficiency in litigation and ask that counsel consider using these stipulations as a voluntary way to promote communications and procedures among counsel and with the court to fairly resolve issues in their cases.

STIPULATION - DISCOVERY	RESOLUTION	
*	and the second of the second o	

This stipulation is intended to provide a fast and informal resolution of discovery issues through limited paperwork and an informal conference with the Court to aid in the resolution of the issues.

The parties agree that:

- Prior to the discovery cut-off in this action, no discovery motion shall be filed or heard unless the moving party first makes a written request for an Informal Discovery Conference pursuant to the terms of this stipulation.
- At the Informal Discovery Conference the Court will consider the dispute presented by parties
 and determine whether it can be resolved informally. Nothing set forth herein will preclude a
 party from making a record at the conclusion of an Informal Discovery Conference, either
 orally or in writing.
- Following a reasonable and good faith attempt at an informal resolution of each issue to be presented, a party may request an Informal Discovery Conference pursuant to the following procedures:
 - a. The party requesting the Informal Discovery Conference will:
 - File a Request for Informal Discovery Conference with the clerk's office on the approved form (copy attached) and deliver a courtesy, conformed copy to the assigned department;
 - ii. Include a brief summary of the dispute and specify the relief requested; and
 - iii. Serve the opposing party pursuant to any authorized or agreed method of service that ensures that the opposing party receives the Request for Informal Discovery Conference no later than the next court day following the filing.
 - b. Any Answer to a Request for Informal Discovery Conference must:
 - Also be filed on the approved form (copy attached);
 - ii. Include a brief summary of why the requested relief should be denied;

SHORT TITLE:	CASE NUMBER:

- iii. Be filed within two (2) court days of receipt of the Request; and
- iv. Be served on the opposing party pursuant to any authorized or agreed upon method of service that ensures that the opposing party receives the Answer no later than the next court day following the filling.
- No other pleadings, including but not limited to exhibits, declarations, or attachments, will be accepted.
- d. If the Court has not granted or denied the Request for Informal Discovery Conference within ten (10) days following the filing of the Request, then it shall be deemed to have been denied. If the Court acts on the Request, the parties will be notified whether the Request for Informal Discovery Conference has been granted or denied and, if granted, the date and time of the Informal Discovery Conference, which must be within twenty (20) days of the filing of the Request for Informal Discovery Conference.
- e. If the conference is not held within twenty (20) days of the filing of the Request for Informal Discovery Conference, unless extended by agreement of the parties and the Court, then the Request for the Informal Discovery Conference shall be deemed to have been denied at that time.
- 4. If (a) the Court has denied a conference or (b) one of the time deadlines above has expired without the Court having acted or (c) the informal Discovery Conference is concluded without resolving the dispute, then a party may file a discovery motion to address unresolved issues.
- 5. The parties hereby further agree that the time for making a motion to compel or other discovery motion is tolled from the date of filing of the Request for Informal Discovery Conference until (a) the request is denied or deemed denied or (b) twenty (20) days after the filing of the Request for Informal Discovery Conference, whichever is earlier, unless extended by Order of the Court.
 - It is the understanding and intent of the parties that this stipulation shall, for each discovery dispute to which it applies, constitute a writing memorializing a "specific later date to which the propounding [or demanding or requesting] party and the responding party have agreed in writing," within the meaning of Code Civil Procedure sections 2030.300(c), 2031.320(c), and 2033.290(c).
- Nothing herein will preclude any party from applying ex parte for appropriate relief, including an order shortening time for a motion to be heard concerning discovery.
- Any party may terminate this stipulation by giving twenty-one (21) days notice of intent to terminate the stipulation.
- References to "days" mean calendar days, unless otherwise noted. If the date for performing any act pursuant to this stipulation falls on a Saturday, Sunday or Court heliday, then the time for performing that act shall be extended to the next Court day.

This stipulation is intended to encourage cooperation among the parties at an early stage in the litigation and to assist the parties in efficient case resolution.

The parties agree that:

- 1. The parties commit to conduct an initial conference (in-person or via teleconference or via videoconference) within 15 days from the date this stipulation is signed, to discuss and consider whether there can be agreement on the following:
 - a. Are motions to challenge the pleadings necessary? If the issue can be resolved by amendment as of right, or if the Court would allow leave to amend, could an amended compliaint resolve most or all of the issues a demurrer might otherwise raise? If so, the parties agree to work through pleading issues so that a demurrer need only raise issues they cannot resolve. Is the issue that the defendant seeks to raise amenable to resolution on demurrer, or would some other type of motion be preferable? Could a voluntary targeted exchange of documents or information by any party cure an uncertainty in the pleadings?
 - b. Initial mutual exchanges of documents at the "core" of the litigation. (For example, in an employment case, the employment records, personnel file and documents relating to the conduct in question could be considered "core." In a personal injury case, an incident or police report, medical records, and repeir or maintenance records could be considered "core.");
 - Exchange of names and contact information of witnesses;
 - d. Any insurance agreement that may be available to satisfy part or all of a judgment, or to indemnify or reimburse for payments made to satisfy a judgment;
 - e. Exchange of any other information that might be helpful to facilitate understanding, handling, or resolution of the case in a manner that preserves objections or privileges by agreement;
 - Controlling issues of law that, if resolved early, will promote efficiency and economy in other phases of the case. Also, when and how such issues can be presented to the Court;
 - g. Whether or when the case should be scheduled with a settlement officer, what discovery or court ruling on legal issues is reasonably required to make settlement discussions meaningful, and whether the parties wish to use a sitting judge or a private mediator or other options as
